

The Finest Gourmet Gift Registry

Food is Love...

It's easy to send your family and friend(s) some "love".

Meals make great gifts for the following reasons:

- Baby Shower Gift
- Illness - long-term/short-term
- Mourning
- New Home
- Loss of Job

Sign your loved one up on our gift registry (call the store or stop in). We will record their likes/dislikes/allergies - and the days that they are receiving a dinner. **We will even deliver for free!**

Once you sign him/her up, you just need to tell their friends to give us a call. What a great way to send some "love".

We deliver to Mendon, Upton, Hopedale, Uxbridge, Milford - call the store for any delivery charges outside this area.

If you have a friend listed on [LotsaHelpingHands](#) you can post this free meal delivery service under the announcements section. Just be sure to let us know so we can gather the info we need to provide free delivery.
